

jamie chung

Fast becoming a Hollywood It Girl, Jamie Chung is the perfect blend of star and stylist. Most recently seen in the film **Dragonball Evolution**, Jamie's next appearance is a starring role in the remake of the 1983 horror film **Sorority Row**, set for release this October. As the winner of the 2009 Young Hollywood Award for "Favorite Action Star" and with a style that's both classic and cool, Jamie knows all about rocking the red carpet. Here's a look at her best fashion moments.

Along with the cast of *Sorority Row*, Jamie receives the "Female Stars of Tomorrow" Award at the ShoWest Awards Gala.
